**** PRESS RELEASE ****

RM RESIDENTS SUPPORT PCU PHASE III FUNDRAISING CAMPAIGN

Residents of the Rural Municipality of Portage la Prairie will be presenting Reeve Toby Trimble and members of the Phase III Fundraising Campaign with their financial contributions on Tuesday, July 21, 2009 at 11:00am at the Fundraising Thermometer located on Saskatchewan Avenue West across from Sobeys.

Community members from all areas of our region realize the need for their contribution to ensure that the PCU Centre is built the way people want it built, with two arenas and to see this come to fruition have committed over \$350 000.00 to the project since the Kick of to Phase III BBQ in May 2009. Tuesday's presentation will provide another opportunity for those interested in becoming part of this exciting project to pledge their support.

Donations to the project can be made at the RM of Portage la Prairie office, the City of Portage la Prairie and any financial institution in Portage.

Please visit our website at www.pcucentre.ca to see construction site photographs of the progress of the PCU Centre to date.
