

What is Phase 3 Fundraising?

Phase 3 is the final phase of fundraising for PCU Centre – the new recreation complex being built in Portage la Prairie. It is the opportunity for the individuals & families of Portage and the surrounding area to invest in this important capital project. PCU Centre will offer a place for all individuals & families to enjoy a variety of recreation & leisure activities and will improve our quality of life.

Now is the time for the individuals & families of our community to show their enthusiasm for the project. Your financial contribution invests in our children, supports healthy living for our seniors, creates a community attractive to potential business & industry, provides venue to stimulate our economy through trade shows & concerts and develops a sense of pride and ownership in our community. We all know what a great new addition this is going to be for the Portage region and we encourage you to invest in our community and in the PCU Centre.
