“For Immediate Release”

PRRA Welcomes New Community Services Manager

We are pleased to introduce Mr. Scott Mossing as the new Community Services Manager for the Portage Regional Recreation Authority Inc.

Scott's first day was March 1, 2011 and has been training and familiarizing himself with the many functions of this important portfolio. The Community Services Manager is responsible for recreation and community programming, sport facility rentals, fitness programs, customer and membership services. This position is directly responsible for the supervision of the full time and part time Customer Service Representatives, Program Coordinator, Playleaders, and contract employees required for the delivery of programs and services on behalf of the PRRA.

Scott has moved from Victoria, B.C. to accept his new role and so we also welcome him to Portage la Prairie. His education is in Sports and Recreation Management from Ashford University, he holds a Leadership Development Certificate from Camosun College and also studied Exercise Sciences at Lake Superior State University.

He is also an avid volunteer with experience as a Team Leader, Athlete's Village at the Vancouver 2010 Olympics, Key Events Committee Member for the Canadian Cancer Society – Cops for Cancer Tour de Rock 2010 and Volunteer Coordinator and participant in the Royal Victoria Marathon and Time Columnist 10 Km Running Race.

We are excited to welcome Scott to the PRRA team where his first priorities will be to develop fitness program opportunities at the PCU Centre, and plan for spring and summer athletic field and ice schedules and contracts.
